

Tennessee Machine Tool is a WBENC certified industrial distribution company providing cutting tools, abrasives, measuring equipment, and machinery to the defense, automotive, medical, and many other industries.

TMT specializes in providing cutting edge products and know-how to solve today's complex manufacturing challenges.

TMT offers inventory management systems utilizing state-of-the-art vending solutions to help customers control access and reduce cost for high usage items.

TMT represents the highest quality and most recognized product manufacturers in the world including:

<i>Allied Machine and Engineering</i>	<i>Clausing Command</i>	<i>Majestic Safety Mechanix Gloves</i>	<i>Qualichem Schunk</i>
<i>Amada</i>	<i>Ingersoll</i>	<i>Merit</i>	<i>SECO</i>
<i>Autocrib</i>	<i>LPS</i>	<i>Mitutoyo</i>	<i>SGS</i>
<i>Baileigh</i>	<i>Lyndex-Nikken</i>	<i>Norton/Saint-Gobain</i>	<i>Snap-on</i>
<i>Cimcool</i>	<i>M A Ford</i>	<i>OSG</i>	<i>Williams Industrial Products</i>

TMT not only offers this complete line of standard products but has an engineering staff to design specialized tooling to complete the most demanding applications.

TMT stocks high usage items to eliminate long lead times. Instead of wasting time looking for items call our dedicated inside sales team to get answers fast.
